

PATROL 29

Fluid Watercraft is in partnership with South African builder Gemini-EU, one of the worlds leading builders of RIBs. Gemini has been building boats since 1979, delivering the most reliable, safest and softest riding quality RIBs on the market. Gemini is the official supplier of Rescue RIBs to the National Sea Rescue Institute of South Africa (equivalent to the US Coast Guard SAR). Other customers include: Australian Navy, United Nations, Royal New Zealand Navy, Singapore Defense Force.
